

Kiss and Drop

- Parents that choose to drop off and/or pick up their students, will do so in the front parking lot between 8:30-8:45 a.m. There will be no student supervision before 8:30 a.m.
- Cars are to get into the “cone zone” line and exit through the South parking lot exit at the end of the circular drive.
- In the morning, students are to wait in the car until a staff member in an orange vest comes and opens the car door. Students will exit the car on the curb side.
- In the afternoon, parents will wait in line and pull up as cars leave. When your car is toward the front of line, a staff member will open the door and the student will enter the car.
- For the safety of ALL our students, we ask that parents in the “cone zone” stay in their cars and wait for a staff member to assist children in getting in and out. No parking is allowed in the “cone zone”.
- Parents who choose to get out of their cars must park IN A DESIGNATED PARKING SPACE and wait for students outside in the front of the school.
- Parents should not park or wait in their cars in any fire lanes.
- Students not picked up on time will be taken to the YMCA and parents will incur charges for that time.
